

# INDEX TO VOLUME 51

The volume is indexed by SUBJECTS, AUTHORS, and BOOK REVIEWS, in that order.

## SUBJECTS

### Adolescents

- Adolescents and drug use: toward a more comprehensive approach, 120
- Emotional problems and concerns of New England college students, 719
- Gender role and family relationships in adolescent children of chronic schizophrenic mothers: findings from a longitudinal study of whole families, 521
- Profile of aggression from adolescence to adulthood: an 18-year follow-up of psychiatrically disturbed and violent adolescents, 439
- Significance of a child's age at the time of parental divorce, 85

### Aging

- Concepts and criteria of mental health and aging, 242
- Docs: ortho and para, 255
- Inextricable interaction: social, psychologic, and biologic stresses facing the elderly, 219
- Mental health characteristics and acceptance-rejection of old age, 230
- Psychological changes from midlife to early old age: implications for the maintenance of mental health, 199

### Alcohol/Drug Use

- Adolescents and drug use: toward a more comprehensive approach, 120
- Emotional problems and concerns of New England college students, 719
- Pregnant addicts in a comprehensive care program: results of a follow-up survey, 297
- Profile of aggression from adolescence to adulthood: an 18-year follow-up of psychiatrically disturbed and violent adolescents, 439
- Toward a more generic conception of alcoholism, 489

### American Orthopsychiatric Association

- Marking time in the land of plenty: reflections on mental health in the United States, 391
- Ortho's President, 1981-82, 196

### Behavioral Symptoms/Problems

- Application of American Sign Language to the psychiatric setting, 715
- Child sex initiation rings, 110
- Children: the unintended victims of marital violence, 692
- Children who set fires: some background and behavioral characteristics, 484

- Emotional problems and concerns of New England college students, 719
- Narcissistic traits in certain abused children, 55
- Problem solving and social position among emotionally disturbed boys, 356
- Profile of aggression from adolescence to adulthood: an 18-year follow-up of psychiatrically disturbed and violent adolescents, 439

### Behavioral Treatment

- Cognitive assessment of the handicapped infant: the need for an alternative approach, 43
- Compliance, defiance, and therapeutic paradox: guidelines for strategic use of paradoxical interventions, 454
- Plea to end the use of the patterning treatment for retarded children, 388

### Child Abuse/Neglect

- Child sex initiation rings, 110
- Failure of "bond formation" as a cause of abuse, neglect, and maltreatment, 78
- Maternal personality and attitude in disturbances of child rearing, 680
- Narcissistic traits in certain abused children, 55
- Parenting and environmental considerations, 351

### Child Rearing and Development

- Child-rearing expectations of families with atypical children, 285
- Children: the unintended victims of marital violence, 692
- Children's acquisition of sex-role behavior in lesbian-mother families, 536
- Children's attachment to transitional objects: a study of two pediatric populations, 131
- Chronic sorrow revisited: parent vs. professional depiction of the adjustment of parents of mentally retarded children, 63
- Continuing coparental relationship between divorced spouses, 415
- Current trends in developmental theory, 580
- Depression, danger, dependency, denial: work with poor, black, single parents, 662
- Experience of children in a joint-custody arrangement: a report of a study, 403
- Failure of "bond formation" as a cause of abuse, neglect, and maltreatment, 78
- From marriage breakdown to remarriage: parental tasks and therapeutic guidelines, 429
- Gender role and family relationships in adolescent children of chronic schizophrenic mothers:

- findings from a longitudinal study of whole families, 521  
Lesbian mothers and their children: a comparative survey, 545  
Maternal personality and attitude in disturbances of child rearing, 680  
Parenting and environmental considerations, 351  
Role of the father for the infant at risk, 672  
Significance of a child's age at the time of parental divorce, 85  
Social-emotional consequences of day care for preschool children, 4

#### **Children (see Infants)**

- Assessing the nature and clinical significance of psychological contributions to childhood asthma, 327  
Child sex initiation rings, 110  
Child-rearing expectations of families with atypical children, 285  
Children: the unintended victims of marital violence, 692  
Children who set fires: some background and behavioral characteristics, 484  
Children's acquisition of sex-role behavior in lesbian-mother families, 536  
Children's attachment to transitional objects: a study of two pediatric populations, 131  
Children's reactions to the threat of nuclear plant accidents, 260  
Chronic sorrow revisited: parent vs. professional depiction of the adjustment of parents of mentally retarded children, 63  
City and the child, 610  
Cognitive development of children in families with atypical children, 285  
Experience of children in a joint-custody arrangement: a report of a study, 403  
Failure of "bond formation" as a cause of abuse, neglect, and maltreatment, 78  
Lesbian mothers and their children: a comparative survey, 545  
Narcissistic traits in certain abused children, 55  
On being seen as a "Chinese therapist" by a Caucasian child, 654  
Parent participation in milieu treatment of young psychotic children, 149  
Problem solving and social position among emotionally disturbed boys, 356  
Significance of a child's age at the time of parental divorce, 85  
Social-emotional consequences of day care for preschool children, 4  
Spontaneous peer psychotherapy in a day care setting: a case report, 346  
Stability of ratings vs. perceptions of temperament from early infancy to 1-3 years, 342  
Temperament characteristics of children in relation to gender, birth order, and social class, 710

#### **Clinic Operation**

- Application of American Sign Language to the psychiatric setting, 715  
Depression, danger, dependency, denial: work with poor, black, single parents, 662  
Discipline stereotyping and evaluative attitudes among community mental health staff, 140  
Factors affecting patient compliance with diagnostic recommendations, 700

#### **Cognitive Development**

- Application of American Sign Language to the psychiatric setting, 715  
Cognitive assessment of the handicapped infant: the need for an alternative approach, 43  
Cognitive development of children in family and group day care, 271  
Problem solving and social position among emotionally disturbed boys, 356

#### **Community Mental Health**

- Conceptual framework for psychosocial rehabilitation, 317  
Discipline stereotyping and evaluative attitudes among community mental health staff, 140  
Interdisciplinary graduate program for Mexican-American researchers-evaluators, 730  
Marking time in the land of plenty: reflections on mental health in the United States, 391  
Parenting and environmental considerations, 351  
Survivors: outreach to a reluctant population, 468

#### **Day Care**

- Cognitive development of children in family and group day care, 271  
Social-emotional consequences of day care for preschool children, 4  
Spontaneous peer psychotherapy in a day care setting: a case report, 346

#### **Death and Dying**

- Exploration of countertransference toward the dying, 71  
Two-track model of bereavement: theory and application in research, 101

#### **Delinquency**

- Children who set fires: some background and behavioral characteristics, 484  
City and the child, 610  
Profile of aggression from adolescence to adulthood: an 18-year follow-up of psychiatrically disturbed and violent adolescents, 439

#### **Disasters/Holocaust Survivors**

- Children of survivors of the Nazi Holocaust: a review of the literature, 29  
Survivors: outreach to a reluctant population, 468

**Divorce/Custody**

- Children's acquisition of sex-role behavior in lesbian-mother families, 536
- Continuing coparental relationship between divorced spouses, 415
- Customs, coupling, and the family in a changing culture, 307
- Depression, danger, dependence, denial: work with poor, black, single parents, 662
- Experience of children in a joint-custody arrangement: a report of a study, 403
- From marriage breakdown to remarriage: parental tasks and therapeutic guidelines, 429
- Lesbian mothers and their children: a comparative survey, 545
- Significance of a child's age at the time of parental divorce, 85

**Drug Use (see Alcohol/Drug Use)**

**Environment**

- City and the child, 610
- Experience of children in a joint-custody arrangement: a report of a study, 403
- Parenting and environmental considerations, 351

**Ethnicity/Race**

- Depression, danger, dependency, denial: work with poor, black, single parents, 662
- Difficulties of a Hispanic-American psychotherapist in the treatment of Hispanic-American patients, 646
- Interdisciplinary graduate program for Mexican-American researchers-evaluators, 730
- On being seen as a "Chinese therapist" by a Caucasian child, 654
- Parenting and environmental considerations, 351
- Puerto Rican *espiritismo* and psychotherapy, 636

**Evaluation/Accountability**

- Discipline stereotyping and evaluative attitudes among community mental health staff, 140
- Interdisciplinary graduate program for Mexican-American researchers-evaluators, 730
- Pregnant addicts in a comprehensive care program: results of a follow-up survey, 297

**Families**

- Children: the unintended victims of marital violence, 692
- Children's acquisition of sex-role behavior in lesbian-mother families, 536
- Continuing coparental relationship between divorced spouses, 415
- Customs, coupling, and the family in a changing culture, 307
- Experience of children in a joint-custody arrangement: a report of a study, 403
- From marriage breakdown to remarriage: parental tasks and therapeutic guidelines, 429

- Gender role and family relationships in adolescent children of chronic schizophrenic mothers: findings from a longitudinal study of whole families, 521

**Fathers**

- Continuing coparental relationship between divorced spouses, 415
- From marriage breakdown to remarriage: parental tasks and therapeutic guidelines, 429
- Gay fathers: evolution of the gay-father identity, 552
- Role of the father for the infant at risk, 672

**Fire-Setting**

- Children who set fires: some background and behavioral characteristics, 484

**Homosexuality**

- Children's acquisition of sex-role behavior in lesbian-mother families, 536
- Gay fathers: evolution of the gay-father identity, 552
- Lesbian mothers and their children: a comparative survey, 545

**Infants (see Children)**

- Children's attachment to transitional objects: a study of two pediatric populations, 131
- Cognitive assessment of the handicapped infant: the need for an alternative approach, 43
- Failure of "bond formation" as a cause of abuse, neglect, and maltreatment, 78
- Role of the father for the infant at risk, 672
- Social-emotional consequences of day care for preschool children, 4
- Stability of ratings vs. perceptions of temperament from early infancy to 1-3 years, 342

**Law and Legislation**

- Effects of new commitment laws on the mental health system, 479
- Marking time in the land of plenty: reflections on mental health in the United States, 391

**Men**

- Analysis of male attitudes toward women's cognitive functions: a life-cycle approach, 724
- Androgyny as a standard of mental health, 502
- Gay fathers: evolution of the gay-father identity, 552

**Mental Health Care System**

- Effects of new commitment laws on the mental health system, 479
- Marking time in the land of plenty: reflections on mental health in the United States, 391
- Survivors: outreach to a reluctant population, 468

**Mental Health Criteria**

- Androgyny as a standard of mental health, 502
- Concepts and criteria of mental health and aging, 242
- Current trends in developmental theory, 580
- Docs: ortho and para, 255
- Interaction of client class and gender in biasing clinical judgment, 510
- Marking time in the land of plenty: reflections on mental health in the United States, 391
- Mental health characteristics and acceptance-rejection of old age, 230

**Mental Retardation**

- Child-rearing expectations of families with atypical children, 285
- Chronic sorrow revisited: parent vs. professional depiction of the adjustment of parents of mentally retarded children, 63
- Plea to end the use of the patterning treatment for retarded children, 388

**Mental Health Professionals**

- Chronic sorrow revisited: parent vs. professional depiction of the adjustment of parents of mentally retarded children, 63
- Depression, danger, dependency, denial: work with poor, black, single parents, 662
- Discipline stereotyping and evaluative attitudes among community mental health staff, 140
- Exploration of countertransference toward the dying, 71
- Interaction of client class and gender in biasing clinical judgment, 510
- Marking time in the land of plenty: reflections on mental health in the United States, 391
- Parent participation in milieu treatment of young psychotic children, 149
- Plea to end the use of the patterning treatment for retarded children, 388

**Poverty**

- Depression, danger, dependency, denial: work with poor, black, single parents, 662
- Difficulties of a Hispanic-American psychotherapist in the treatment of Hispanic-American patients, 646
- Inextricable interaction: social, psychologic, and biologic stresses facing the elderly, 219
- Parenting and environmental considerations, 351

**Psychosomatic Studies**

- Assessing the nature and clinical significance of psychological contributions to childhood asthma, 327

**Psychotherapy**

- Application of American Sign Language to the psychiatric setting, 715

- Compliance, defiance, and therapeutic paradox: guidelines for strategic use of paradoxical interventions, 454

- Customs, coupling, and the family in a changing culture, 307
- Difficulties of a Hispanic-American psychotherapist in the treatment of Hispanic-American patients, 646
- Interaction of client class and gender in biasing clinical judgment, 510
- On being seen as a "Chinese therapist" by a Caucasian child, 654
- Piagetian-based analysis of insight and the interpretive process, 626
- Puerto Rican *espiritismo* and psychotherapy, 636
- Role of insight in behavior change: a commentary, 632
- Spontaneous peer psychotherapy in a day care setting: a case report, 346

**Rehabilitation**

- Conceptual framework for psychosocial rehabilitation, 317
- Profile of aggression from adolescence to adulthood: an 18-year follow-up of psychiatrically disturbed and violent adolescents, 439

**Research**

- Adolescents and drug use: toward a more comprehensive approach, 120
- Androgyny as a standard of mental health, 502
- Child-rearing expectations of families with atypical children, 285
- Children of survivors of the Nazi Holocaust: a critical review of the literature, 29
- Children: the unintended victims of marital violence, 692
- Children's acquisition of sex-role behavior in lesbian-mother families, 536
- Children's attachment to transitional objects: a study of two pediatric populations, 131
- Children's reactions to the threat of nuclear plant accidents, 260
- Chronic sorrow revisited: parent vs. professional depiction of the adjustment of parents of mentally retarded children, 63
- Cognitive development of children in family and group day care, 271
- Continuing coparental relationship between divorced spouses, 415
- Discipline stereotyping and evaluative attitudes among community mental health center staff, 140
- Emotional problems and concerns of New England college students, 719
- Experience of children in a joint-custody arrangement: a report of a study, 403
- Failure of "bond formation" as a cause of abuse, neglect, and maltreatment, 78
- Gender role and family relationships in adolescent

- children of chronic schizophrenic mothers: findings from a longitudinal study of whole families, 521
  - Interaction of client class and gender in biasing clinical judgment, 510
  - Maternal personality and attitude in disturbances of child rearing, 680
  - Pregnant addicts in a comprehensive care program: results of a follow-up survey, 297
  - Profile of aggression from adolescence to adulthood: an 18-year follow-up of psychiatrically disturbed and violent adolescents, 439
  - Problem solving and social position among emotionally disturbed boys, 356
  - Role of the father for the infant at risk, 672
  - Significance of a child's age at the time of parental divorce, 85
  - Stability of ratings vs. perceptions of temperament from early infancy to 1-3 years, 342
  - Temperament characteristics of children in relation to gender, birth order, and social class, 710
  - Two-track model of bereavement: theory and application in research, 101
- Residential/Hospital Treatment**
- Children who set fires: some background and behavioral characteristics, 484
  - Effects of new commitment laws on the mental health system, 479
  - Parent participation in milieu treatment of young psychotic children, 149
  - Problem solving and social position among emotionally disturbed boys, 356
  - Profile of aggression from adolescence to adulthood: an 18-year follow-up of psychiatrically disturbed and violent adolescents, 439
- Schizophrenia**
- Gender role and family relationships in adolescent children of chronic schizophrenic mothers: findings from a longitudinal study of whole families, 521
- Sex Role/Social Role**
- Analysis of male attitudes toward women's cognitive functions: a life-cycle approach, 724
  - Androgyny as a standard of mental health, 502
  - Children's acquisition of sex-role behavior in lesbian-mother families, 536
  - Customs, coupling, and the family in a changing culture, 307
  - Difficulties of a Hispanic-American psychotherapist in the treatment of Hispanic-American patients, 646
  - Gay fathers: evolution of the gay-father identity, 552
  - Gender role and family relationships in adolescent children of chronic schizophrenic mothers: findings from a longitudinal study of whole families, 521
  - Interaction of client class and gender in biasing clinical judgment, 510
  - Lesbian mothers and their children: a comparative survey, 545
  - Temperament characteristics of children in relation to gender, birth order, and social class, 710
  - Why boys will be boys: a structural perspective, 493
- Sign Language**
- An application of American Sign Language to the psychiatric setting, 715
- Social Policy**
- Children's reactions to the threat of nuclear plant accidents, 260
  - City and the child, 610
  - Marking time in the land of plenty: reflections on mental health in the United States, 391
- Sociocultural/Cross-Cultural Reports**
- Customs, coupling, and the family in a changing culture, 307
  - Difficulties of a Hispanic-American psychotherapist in the treatment of Hispanic-American patients, 646
  - Interdisciplinary graduate program for Mexican-American researchers-evaluators, 730
  - On being seen as a "Chinese therapist" by a Caucasian child, 654
  - Puerto Rican *espiritismo* and psychotherapy, 636
- Temperament**
- Stability of ratings vs. perceptions of temperament from early infancy to 1-3 years, 342
  - Temperament characteristics of children in relation to gender, birth order, and social class, 710
- Training and Supervision**
- Exploration of countertransference toward the dying, 71
  - Interdisciplinary graduate program for Mexican-American researchers-evaluators, 730
  - Parent participation in milieu treatment of young psychotic children, 149
- Urban Problems**
- City and the child, 610
  - Depression, danger, dependency, denial: work with poor, black, single parents, 662
  - Parenting and environmental considerations, 351
- Women**
- Analysis of male attitudes toward women's cognitive functions: a life-cycle approach, 724
  - Androgyny as a standard of mental health, 502
  - Children: the unintended victims of marital violence, 692
  - Interaction of client class and gender in biasing clinical judgment, 510
